Walnutport, Pa.

Dear Mr. Geary:

Please accept this letter as confirmation of our test signal from July 11th thru July 15th, 1962.

As a new FM station, scheduled to air sometime next month, we are most appreciative of the time and effort, on your part, in logging our signal; and reporting reception of WRFY-FM in the Walnutport area.

Your letter of July 15th will be filed for future reference; as an important sales aide for potential sponsors in the Leghigh Valley.

It is our hope that many other members of the National Radio Club, inform us of reception in their respective areas.

Enclosed you'll find a pamphlet describing our transmitter site, coverage area and national facts on FM listenership.

Please feel free to stop by our studios and say "hello" anytime you're in Reading.

Thanking you again for your interest, I remain,

Sincerely

Frank Roth
